

Career Opportunity

Machinist

Since 1993 GAC has established itself as a leading provider of aircraft component MRO services to the aerospace industry. We provide landing gear, air cycle machine and pneumatic valve component overhaul and loaner services to aircraft operators around the world.

GAC is currently seeking an energetic & highly motivated **Machinist** and/or **Apprentice** to join our growing team. If you want to be part of a dynamic, team-oriented environment, GAC is the company for you!

In the role as Machinist or Apprentice you will:

- Operate conventional Lathes, Milling Machines and Cylindrical Grinders
- Set up jigs, fixtures or machine attachments for precision machining
- Machine in accordance with engineering drawings and tolerances
- Work with calculations, dimensions and tolerances using precision measuring tools
- Work with steel, stainless steel, aluminum, brass & copper beryllium.

In this role you will receive:

- A starting salary from \$30.00 - \$ 40.00 per hour
- On the job paid training.
- Extended Health, Drug & Dental benefits.
- Long term disability & Life Insurance.
- RRSP matching contributions.
- Future growth opportunities in an exciting goal-oriented environment.

Ideal Qualifications:

- Previous experience in related machinist field
- Post-secondary education and/or **Apprenticeship** Training.
- Proven “hands on” mechanical ability.
- Strong analytical and mathematical skills
